3. For the implementation of that stipulated in the Agreement, the other party gives Olympic Fruit B.V. permission to make use of use third parties who are not the employees of Olympic Fruit B.V.. The General Terms and Conditions of Sale also apply to legal acts carried out by these third parties in connection with the fulfilment of obligations to which Olympic Fruit B.V. is subject pursuant to the Agreement.
4. Deviations from and/or additions to any provision in these General Terms and Conditions of Sale will only be binding for Olympic Fruit B.V. if these deviations and/or additions have been agreed on explicitly between Olympic Fruit B.V. and the other party, without reservation and in writing.
Any deviations and/or additions agreed on will only apply to the Agreement concerned.
5. In the event that and insofar as on accepting a quote or an offer or entering into an agreement the other party refers to general terms and conditions other than the General Terms and Conditions of Sale of Olympic Fruit B.V. with a view to applying

these general terms and conditions to the Agreement, other general terms and conditions than these General Terms and Conditions of Sale will only apply to the Agreement if Olympic Fruit B.V. has accepted such general terms and conditions without reservation and in writing.

6. In the event that following the intervention of a judicial authority, any provision of these General Terms and Conditions of Sale appears to be null and void, solely the provision concerned will cease to apply. All other provisions will continue to apply without prejudice.

Article 3 Offers and prices

1. All agreements concluded by Olympic Fruit B.V. are deemed to have been realized at the business address of Olympic Fruit B.V., namely Handelscentrum ZHZ 55, 2991 LD Barendrecht, both with regard to the implementation and the payment of the Agreement.
2. All sums mentioned in quotes, special offers, Agreements and orders will be given in Euros unless the parties have agreed otherwise in writing. Moreover, all sums mentioned are exclusive of transport costs and turnover tax, unless the parties have agreed otherwise in writing.
3. All offers made by Olympic Fruit B.V. are without obligation.
4. Olympic Fruit B.V. retains the right to refuse orders without giving any reason.
5. Olympic Fruit B.V. is not obliged to keep to an offer and/or an agreement for a specified price if this price is based on a misprint and/or a writing error.

Article 4 Agreement

1. In the event that a quote contains an offer without obligation which is accepted by a third party (the other party), Olympic Fruit B.V. will have the right to revoke the offer within two working days of having received such acceptance.
2. The other party will receive written confirmation of the order or a written record of the Agreement from Olympic Fruit B.V.. This written record can consist of the invoice and/or purchase order.
3. If after the Agreement has been realized the parties agree on further and/or additional agreements or modifications, these will only be binding if and insofar as these agreements have been laid down in writing. In this case too, the written record can consist of the invoice and/or purchase order.

Article 5 Cancellation of the Agreement

1. The other party can only cancel the Agreement if this takes place in writing prior to

the commencement of the implementation of the Agreement. With due observance of that stipulated hereinafter, in the event of a cancellation, all preparatory expenses incurred by Olympic Fruit B.V. will be charged to the other party at all times.

2. In the event that the Agreement is cancelled within 72 hours prior to the time of delivery agreed on, in addition to the preparatory expenses, the other party will owe compensation set at 50% of the price agreed. If the Agreement is cancelled later than 24 hours prior to the time of delivery, the other party will owe the full price agreed.
3. In the event that the Agreement is cancelled, regardless of the date on which the cancellation takes place, the other party will be obliged to compensate the costs that Olympic Fruit B.V. must pay third parties arising from and in connection with the cancelled Agreement.

Article 6 Delivery

1. The delivery time agreed is not a strict deadline unless the parties have explicitly agreed otherwise.
2. Insofar as these are within reason, delivery delays will not give the other party the right to terminate the Agreement or to any compensation.
3. Barring notice to the contrary given by the other party, that delivered by Olympic Fruit B.V. must comply with that agreed on by the parties both in terms of number and weight and in terms of requirements prescribed by public and public law. The parties explicitly agree on presumptive evidence with regard hereto.
4. Deliveries will be made to the customer, unless the parties have agreed otherwise in writing with regard hereto. The time of delivery is the time at which the goods are delivered to the customer.
5. In the event that parties have agreed that Olympic Fruit B.V. will store the goods it is to deliver for the other party, either in its own storage space or in that of a third party, the goods will be handed over at the time of their storage.
6. Before fulfilling the obligations it is subject to arising from the Agreement, Olympic Fruit B.V. is entitled to demand sufficient security with regard to the other party's fulfilment of its payment obligations.
7. In the event that the other party still has an obligation to pay Olympic Fruit B.V. any sum, especially if invoices sent by Olympic Fruit B.V. are still partly or fully due, Olympic Fruit B.V. will be entitled to suspend the obligation to deliver until the other party has met all its obligations.

Article 7 Acceptance and complaints

1. Immediately following the delivery of the goods agreed by Olympic Fruit B.V.,

they must be inspected and verified by the other party. The inspection and verification must be carried out in the presence of the driver. The other party must verify whether the goods delivered comply with that stipulated in the Agreement, namely:

- a. whether the correct goods have been delivered;
 - b. whether the goods delivered comply with the quality requirements made and agreed with regard thereto, or in other words, the requirements that may be made in connection with normal use and/or commercial purposes;
 - c. whether the goods delivered comply with that agreed on by the parties in terms of quantity (number, amount, weight). If a difference is established by the other party that is less than 10%, the other party will be obliged to fully accept the goods delivered, such for a pro rata reduction of the price agreed.
2. In the event that the goods are delivered ex warehouse, the other party must inspect the goods delivered in the sales space of Olympic Fruit B.V..
 3. Any defects and objections not related to circumstances set out in paragraph 1 of this article under c must be reported to Olympic Fruit B.V. in writing immediately after having been established but within eight hours of delivery at the latest. If Olympic Fruit B.V. has not received a complaint immediately following delivery, the goods will be deemed to have been delivered in conformity with that stipulated in the Agreement and without any defects.
 4. As soon as possible after having been established, any complaints concerning defects that are not immediately visible must be communicated to Olympic Fruit B.V. in writing to enable Olympic Fruit B.V. to investigate the justness of the complaints concerned on the spot. The other party must enable Olympic Fruit B.V. to verify that the complaints of the other party are justified. In the event that Olympic Fruit B.V. has not received a written complaint from the other party within eight hours of the delivery, the defect and/or the fault will not be deemed to have been present at the time of the delivery, but the parties will take it for granted that this defect and/or this fault arose after delivery.
 5. That stipulated in this article will apply without prejudice in the event that the goods delivered by Olympic Fruit B.V. for the other party are delivered to a third party. The other party can thus at no time argue against Olympic Fruit B.V. that it had not inspected the goods delivered in view of the fact that they were stored with a third party elsewhere.
 6. The other party is obliged to keep the goods as a prudent debtor and possessor at all times.

Article 8 Payment

1. Unless the regulation concerned has been departed from, the other party must pay the price agreed on after receiving the invoice related to the delivery without a reduction or claiming compensation within 30 days as of the date of invoice.
2. The setting off by the other party of the sums invoiced by Olympic Fruit B.V. against a counterclaim put forward by the other party or the suspension of payment by the other party in connection with a counterclaim is not permitted, unless Olympic Fruit B.V. has explicitly acknowledged the fact that it is obliged to pay the counterclaim without reservation, or the existence of the counterclaim has been irrevocably established at law.
3. In the event that the term of payment is exceeded, the other party will owe default interest of 1% per month, without prejudicing the other rights of Olympic Fruit B.V. such as the right to compensation for extrajudicial costs and statutory interest.
4. In the event that the term of payment is exceeded, without prior notice of default, the other party will owe statutory commercial interest on the outstanding sum. Insofar as it has been established at law that the Buyer does not owe statutory commercial interest, it will owe Olympic Fruit B.V. the statutory interest concerned.
5. In the event that even after having been put into default by Olympic Fruit B.V., the other party fails to pay the outstanding sums to Olympic Fruit B.V., in addition to the total sum due consisting of the outstanding sums increased by the interest payable, it will also be obliged to pay compensation for extrajudicial collection costs. The sum of the extrajudicial collection costs is set at 15% of the principal sum due.
6. Payment made by the other party will first be applied to settle all interest and costs payable and subsequently for those invoices that have been outstanding for the longest periods. This will also be the case if the other party states that the payment relates to a later invoice.

Article 9 Retention of title

1. Goods delivered by Olympic Fruit B.V. will remain its property up to the time of full payment of all claims of Olympic Fruit B.V. vis-à-vis the other party on the basis of agreements concluded between them, including interests and costs.
2. The other party will only be authorized to resell goods delivered by Olympic Fruit B.V. that are subject to retention of title, as set out in paragraph 1 of this article, if reselling is one of the other party's normal business activities.
3. In the event that the other party fails to observe its obligations, or if Olympic Fruit B.V. has a well-founded fear that the other party is not capable of fulfilling its obligations

flowing from the Agreement, or if there is a suspicion that the other party does not wish to fulfil the obligations to which it is subject, Olympic Fruit B.V. will be entitled to take back the goods it has delivered, subject to retention of title mentioned in paragraph 1 of this article, from the other party or from a third party keeping these goods for the other party or to cause these goods to be taken back.

The other party will be obliged to cooperate with such action carried out by Olympic Fruit B.V..

4. In the event that third parties wish to establish or assert a right on the goods delivered by Olympic Fruit B.V. under retention of title, the other party must notify Olympic Fruit B.V. hereof by return of post. The other party must moreover point out to the third party concerned the fact that the goods in question were delivered under retention of title. The other party must provide the third party with the Agreement concluded between the parties from which it is apparent that a retention of title was claimed with regard to the goods delivered.
5. The other party is obliged to cooperate with all measures that Olympic Fruit B.V. wishes to take to protect its property rights with regard to goods it has delivered.

Article 10 Liability and risk

1. In the event that the other party has goods in its possession delivered by Olympic Fruit B.V. which are the property of Olympic Fruit B.V. (including packaging) and/or which are subject to retention of title as referred to in Article 9 of these General Terms and Conditions of Sale, as of the time at which the goods are delivered to it up to the time at which they are returned or the time at which the ownership of these goods is transferred, the other party will be liable for any damage caused by and/or with these goods.
2. In the event that it has goods in its possession that are the property of Olympic Fruit B.V. (including packaging) and/or which are subject to retention of title as mentioned in Article 9 of these General Terms and Conditions of Sale, the other party will be liable for any loss suffered by Olympic Fruit B.V. as a result of the damage to, the loss of or the destruction of these goods, which loss arose in the period between the time at which Olympic Fruit B.V. delivered the goods and the time at which the goods were returned or the time at which the ownership of the goods was passed.
3. In the event that as a result of circumstances attributable to the other party Olympic Fruit B.V. wishes to make use of its retention of title but nevertheless suffers a loss, the other party will be liable for the loss suffered by Olympic Fruit B.V..
4. In the event that in the implementation of the Agreement it has goods in its

possession (including packaging) which are the property of Olympic Fruit B.V. and/or subject to retention of title as referred to in Article 9 of these General Terms and Conditions of Sale and in the event of theft, loss or damage to the goods supplied to it by Olympic Fruit B.V., the other party will be obliged to notify Olympic Fruit B.V. hereof immediately. The other party must immediately report theft or acts of war to the police of the municipality where the theft and/or the act of war took place. The other party must provide Olympic Fruit B.V. with a copy of such a report.

5. In the event that Olympic Fruit B.V. has delivered goods to the other party that are the property of a third party, the other party will indemnify Olympic Fruit B.V. against all claims of this third party with regard to damage caused by and/or with the goods that Olympic Fruit B.V. has delivered to the other party, as well as damage caused to the goods supplied by the other party by Olympic Fruit B.V..
6. In the event that the other party or a third party to which the other party has passed on the goods delivered by Olympic Fruit B.V. makes a recall or causes a recall to be made, Olympic Fruit B.V. will only be able to be held liable for (a part of) the costs thereby incurred if i) it is established that Olympic Fruit B.V. is liable for the circumstances that have led to the recall, and ii) Olympic Fruit B.V. was consulted and had its say before the recall was made and iii) it has been established that the other party acted as a reasonable and reasonably competent professional and attempted to limit the costs incurred in connection with the recall as far as possible.
7. In the event that Olympic Fruit B.V. is liable for any damage, all liability of Olympic Fruit B.V. will be limited to the sum paid out under the public liability insurance of Olympic Fruit B.V., increased by the own risk under this insurance policy. If for any reason whatsoever no sum is paid out pursuant to this insurance, all liability will be limited to the sum of the invoice corresponding to the Agreement on which the other party's claim is based, on the understanding that all liability will be limited to a sum of EUR 40,000.

Article 11 Force majeure

1. In the event of force majeure, Olympic Fruit B.V. will be entitled either to suspend the implementation of the Agreement or to fully or partly terminate the Agreement without the other party being able to claim any compensation vis-à-vis Olympic Fruit B.V..
2. Force majeure of Olympic Fruit B.V. should be understood to mean:
 - strikes held by the employees of Olympic Fruit B.V. or third parties called in by Olympic Fruit B.V. in connection with the implementation of the Agreement;
 - illness of employees of Olympic Fruit B.V. or third parties called in by Olympic Fruit

- B.V. in connection with the implementation of the Agreement;
- measures taken and/or prohibitions issued by the Dutch government and/or a foreign government by which Olympic Fruit B.V. is bound;

 - (attributable) failure to perform by the suppliers of Olympic Fruit B.V.;
 - theft of goods required for the implementation of the Agreement;
 - as well as all other unforeseen circumstances that prevent Olympic Fruit B.V. from implementing the Agreement properly and on time and that are not for the account and risk of Olympic Fruit B.V..
3. In the event that on the commencement of the force majeure, Olympic Fruit B.V. has already partly met its obligations or can only partly meet its obligations, it will be entitled to send out separate invoices for that supplied and/or the part supplied. The other party will then be obliged to pay the invoice concerned as if a separate Agreement was concerned.
4. All agreements related to the sale of agrarian products are subject to a good harvest. If as a result of a disappointing harvest in terms of the quantity and/or quality of the agrarian products concerned there are fewer products available than could have been expected within reason on concluding the Agreement, also as a result of products having been declared unfit by the authorized bodies, Olympic Fruit B.V. will have the right to reduce the quantity it sells correspondingly. On reducing the quantity supplied, Olympic Fruit B.V. will fully comply with its obligations to deliver. Olympic Fruit B.V. will not then be obliged to supply substitute agrarian products, neither will it be liable for any loss suffered whatsoever.

Article 12 Default and termination

1. In the event that the other party fails to comply, fails to comply properly or fails to comply on time with any obligation arising for the other party from the Agreement concluded with Olympic Fruit B.V. and/or the law, including the obligation to pay on time as included in Article 8 of these General Terms and Conditions of Sale, the other party will be in default de jure and Olympic Fruit B.V. will be entitled to suspend the implementation of the Agreement and/or to fully or partly terminate the Agreement and any directly related Agreements without Olympic Fruit B.V. being obliged to pay any compensation and without prejudicing the further rights of Olympic Fruit B.V..
2. In the event that the other party is in default, it will owe Olympic Fruit B.V. the statutory

(commercial) interest as well as all costs both in and out of court incurred by Olympic Fruit B.V. within reason in establishing the liability of the other party and/or in acquiring payment of its claims which are covered by Article 6:96 paragraph 2 of the Dutch Civil Code.

3. In the event of the (provisional) suspension of payment or the bankruptcy of the other party or the closing down or the winding-up of the business of the other party, all Agreements with the other party will be terminated by operation of law, unless Olympic Fruit B.V. notifies the other party within a reasonable term that it requires the observance of (part of) the Agreement(s), in which case without giving notice of default, Olympic Fruit B.V. will be entitled to suspend the implementation of the Agreement(s) concerned until sufficient security has been given with regard to payment, without prejudicing the further rights of Olympic Fruit B.V..
4. Olympic Fruit B.V. will have the right to terminate the Agreement in the event of permanent force majeure of the other party. The other party will then compensate all costs incurred and to be incurred by Olympic Fruit B.V..
5. In each of the cases mentioned in paragraphs 1, 2, 3 and 4 of this article, all claims of Olympic Fruit B.V. vis-à-vis the other party will be immediately due and payable and the other party will be obliged to immediately return leased goods or goods for which payment has not yet been received.
6. The other party must notify Olympic Fruit B.V. without delay in the event of the attachment of movable or immovable goods owned by Olympic Fruit B.V. and in possession of the other party in connection with the implementation of the Agreement.
7. In the event of bankruptcy or suspension of payment, the other party must notify Olympic Fruit B.V. hereof immediately and show the bailiff, curator or administrator the Agreement without delay, indicating the property rights of Olympic Fruit B.V..

Article 13 Packaging

1. In connection with the delivery of its goods, Olympic Fruit B.V. uses packaging.
Among other things, packaging includes pallets and crates. In the event that Olympic Fruit B.V. charges a deposit with regard hereto, the packaging will be taken back for the price of the invoice applicable at that time (in the event that business is done in a foreign currency the packaging will be taken back at the exchange rate applicable at the time of delivery). In taking delivery of returned packaging, a fixed sum in compensation may be charged in conformity with the applicable regulations. These regulations will be provided to the other party at its request.
2. The packaging that the other party wishes to return must be clean and fresh enough to be used for freshly edible horticultural products without further action needing to

- be taken by Olympic Fruit B.V..
3. In the event that packaging is to be returned by means of the own transport of Olympic Fruit B.V., the other party must ensure that the packaging is sorted and ready for transport.
 4. Packaging not supplied by Olympic Fruit B.V. will only be taken back if and insofar as Olympic Fruit B.V. has the products concerned in its own assortment and the packaging is in good condition.

Article 14 Industrial and intellectual property rights

1. Olympic Fruit B.V. explicitly reserves any intellectual and/or industrial property rights (trademarks) with regard to the products it supplies.
2. The other party is not permitted to infringe on the intellectual and/or industrial property rights of a third party using the products supplied by Olympic Fruit B.V.. The other party indemnifies Olympic Fruit B.V. against any claims of third parties on the basis of an infringement of intellectual and/or industrial property rights by means of goods delivered by Olympic Fruit B.V. that take place after Olympic Fruit B.V. has delivered the goods to the other party.

Article 15 Applicable law

1. The legal relationship between Olympic Fruit B.V. and the other party is governed by Dutch law.

Article 16 Disputes

1. Any disputes flowing from an order, a quote, an offer or an Agreement to which these General Terms and Conditions of Sale apply, including conflicts related to these General Terms and Conditions of Sale, will be exclusively by the competent court in the district where Olympic Fruit B.V. has its registered office, on the understanding that this choice of forum will not affect the right of Olympic Fruit B.V. to settle a dispute by means of arbitration or a binding opinion.
2. In derogation of that stipulated in paragraph 1 of this article, the parties can agree in writing that they will allow the settlement of the dispute to be settled by the competent court in another district.
